

# Prices will be at Lowest Ebb---

The above headline is not used in a figurative sense. We mean it literally. There have been times, no doubt, usually at the end of a season, when small lots or undesirable lots of goods have sold at as low prices as we are going to sell these goods--in our big Removal Sale. But we do not believe any store in this entire section ever before gave you an unrestricted choice of all its entire stocks of seasonable goods at as low prices as we are going to offer them in this, our Bona-Fide and Quick-Action Removal Sale, starting Thursday, August 24. Especially is this true regarding merchandise of the Nusbaum high-quality.

These stocks now aggregate a hundred and fifty thousand dollars. It is all good merchandise, new and seasonable and just such goods as you need for use now, and in the coming fall and winter season. Throughout the store, on every floor in every department, is shown staple merchandise for service all through the year. It will be an all inclusive sale, meeting alike the needs, the personal needs, of men and boys, and we are going to sell all these goods lower than goods of equal quality ever before sold for in this or any other Clarksburg store.

*We know a visit to this Big Removal Sale will prove to be a profitable experience for you.*

**Opening Sale Day Thursday, Aug. 24**  
**NUSBAUM'S**  
 THIRD ST.

We feel full justification in claiming that this is the most interesting series of editorial opening announcements ever originated and printed by any store in Clarksburg. Each forthcoming announcement, which will be issued daily will be worded in trip-hammer truths. It is customary for stores to call to their aid artists and writers of national reputation to prepare their announcements. Nusbaums have no desire to assume a superiority beyond the ability of its own organization to maintain. Nusbaums has no need to go outside its own organization for talent or efficiency of the highest order. These series of announcements will be written entirely by our own advertising staff, which is a permanent unit of our store organization, working in harmony with other permanent units to complete a service giving force of highest obtainable proficiency. We feel that you must realize that Nusbaums is manned and commanded by an organization full-qualified to give you a service which few stores can equal.
